## CORPORATE TEAM TERMS AND CONDITIONS

By registering a corporate team in the 2018 Tasmanian Running Festival, I acknowledge and agree to the following:

- No places are guaranteed until full payment has been received.
- I'm aware that each start group in the event is capped and will sell out prior to event day. In the case that a pending entrant is in a start group that sells out before payment is received, that pending entrant may be allocated to the next available start group i.e. if the 10K A Group sells out before payment is received, the entrant will be allocated to the 10K B Group where possible.
- As a Team Captain, I confirm that I'm authorised to accept the event participant agreement on participants' behalf when transferring entries to another person.
- As a Team Captain, I agree that I will monitor and manage my team's registration and review the eligible team members' registration before making a payment.
- As a Team Captain, I agree that I will pay in full team members' entry fees prior to **5pm AEST Wednesday 16<sup>th</sup> May 2018**. All invoices must be paid within 7 days from the raised date.
- After payment by Bank Transfer is initiated and invoice is generated, the Event Organiser is not responsible for any errors and will not be able to adjust the total outstanding amount.

It is the Team Captain's responsibility to inform team members that their race bib numbers will be collected all at once and to distribute them correctly.

Team Race Kits will NOT be handed to courier drivers / taxi drivers. A member or representative of your team will need to collect and sign for your team's Race Kits.

It is the team kit collector's responsibility to ensure all kits have been packed before leaving the Event Expo. Therefore, ensure the person collecting the kits brings a team list download to cross reference the collection and is mindful that although the kits are not heavy, they can be bulky in transit.
